

process\_mode1

```
graph LR; A[process_mode1] --> B[draw_xpm]; B --> C[draw_pixel_in_coor];
```

A flowchart illustrating a sequence of three steps. The first step, 'process\_mode1', is contained within a gray rectangular box. A blue arrow points from this box to the second step, 'draw\_xpm', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third step, 'draw\_pixel\_in\_coor', also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.
